

You have heard the expression, all roads lead to Rome, the eternal city.

Look at some of these magic apartments to stay in Rome, I have looked at them all and slept in some.

Ask me for my valued opinion, I have seen several hundred apartments in Rome and can help you find the one for a young family, a lovers nest, or that fantastic one with a view and a terrace perhaps. Many have a lift, even if it is a small one , big enough for you and luggage only.

My favourite areas are, the Spanish Steps, Vatican, Trastevere(along the Tiber)Piazza Navona and Campo dei Fiori. Most of these places are only about a 20 minute walk between Vatican and Trastevere and also Spanish steps to Campo dei Fiori, if you can walk without stopping at the gorgeous shops and gelaterie.

Charming one bedroom apartment on 1st floor! Lounge converts to double sofa bed.

Priced from €140-190per day. A little gem. In a quiet street near Trevi fountain and not far from Spanish steps.
